\$49.95 for three computers

Premium Support

CompanionLink offers Premium Technical Support.

\$129 for 1-Year, 5-tickets.

A technician will log into your computer and set up the software for you. Includes setting up your phone and ensuring the sync will work automatically.

You get a special phone number and priority email. Calls answered "live" and help is available quickly – usually within 60 minutes. Emails answered right away.
